

**A1 Skips Terms and Conditions of hire:**

**DO NOT** place asbestos into the skip – maximum penalty is up \$1,000,000.00.

\* The price of the skip bin you have hired is for the drop off and pick up of that skip alone and any subsequent bins will be charged accordingly.

\* Payment is to be made at the time of skip bin drop off unless prior arrangements for an account have been made.

\* Skip bin hire period is 7 days from delivery date unless prior arrangements for an account and hire period have been made. All additional days on hire are \$10 per day unless arrangements have been made with A1 Skips.

\* 24 hour notice preferable for skip pick up.

\* Collection and delivery on Sunday is not permitted due to Council restrictions.

\* Registered builders will need to apply to obtain an account.

\* Our professional driver will take the greatest care possible of your property when delivering the skip however, any damage incurred during the delivery or pick up is at the client's own risk.

\* \*\*Rates are subject to change\*\*.

**DO NOT OVERFILL YOUR BIN** - Your hired skip bin is charged a cubic meter rate and this rate is calculated for waste level with the top rim of the skip bin only. All waste must be contained within the bin. Any waste above the top of the skip will require a second bin at the current skip bin rate. It is your responsibility as The Client to notify when the bin is full and needs replacing.

WE WILL NOT TRANSPORT ANY WASTE THAT IS ABOVE THE RIM OF THE SKIP.

(As per Transport Act) AT COLLECTION ANY WASTE ABOVE THE RIM WILL BE REMOVED AND LEFT ON SITE.

**DO NOT** under any circumstances move the skip from the original drop off position. If you choose to do so and the skip cannot be picked up by our operator you will need to empty, move and reload the skip back to original position at your own cost and or pay the charge for crane hire to pick up the skip.

**DO NOT** place any paint, liquids, oil or chemicals into the skip or you will be liable for any damages to vehicles or property should these liquids escape from skip during transport.

**DO NOT** tyres, batteries or food waste into the skip or you will be liable for any additional charges incurred at tipping. Tyre tip charge \$12 per tyre with prior arrangement only.

**ALL LOADS ARE INSPECTED BY WASTE AUTHORITY DURING TIPPING.**

**GREEN WASTE** = ANY PLANT MATERIAL, GRASS (NO SOIL)
