#### Conditions of hire:

- \* The price of the skip bin you have hired is for the drop off and pick up of that skip alone and any subsequent bins will be charged accordingly.
- \* Payment is to be made at the time of skip bin drop off unless prior arrangements for an account have been made.
- \* **DO NOT FILL SKIP ABOVE THE RIM** - Your hired skip bin is charged a cubic meter rate and this rate is calculated for waste level with the top rim of the skip bin only. All waste must be contained within the bin. Any waste above the top of the skip will require a second bin at the current skip bin rate. It is your responsibility as The Client to notify when the bin is full and needs replacing. A1 SKIPS WILL NOT TRANSPORT ANY WASTE THAT IS ABOVE THE RIM OF THE SKIP (As per Transport Act) ANY WASTE ABOVE THE RIM WILL BE REMOVED AND LEFT ON SITE OR WE WILL RESCHEDULE BOOKING ALLOWING CLIENT TO ADJUST SKIP AND A \$75.00 CALL OUT FEE WILL APPLY.
- \* 24 hour notice preferable for skip pick up.
- \* Pickup and delivery on Sunday is not permitted due to Council restrictions.
- \* Registered builders will need to apply to obtain an account.
- \* Our professional driver will take the greatest care possible of your property when delivering the skip however, any damage incurred during the delivery or pick up is at the client own risk.
- \* **DO NOT** under any circumstances move the skip from the original drop off position. If you choose to do so and the skip cannot be picked up by our operator you will need to empty, relocate, reload the skip back to original position at your own cost and or pay the charge for crane hire to pick up the skip. If any damage has been done to the skip when moved, you the client will be liable for repair.
- \* **DO NOT** place any paint, liquids, oil, tyres, batteries, chemicals or food waste into the skip or you will be liable for any additional charges / fines incurred.
- \* **DO NOT** place asbestos or untested fibro into the skip – maximum penalty is up \$1,000,000.00.

#### Additional fees:

- \* **We do not accept tyres under any circumstances.**  
**Tyres that are found in skip are charged automatically on the credit card provided or to your account at \$50.00 PER TYRE.**
- \* **\$10.00** - Skip bin hire period is 7 days from delivery date unless prior arrangements for an account and hire period have been made. All additional days on hire are \$10 per day unless arrangements have been made with A1 Skips.
- \* **\$75.00** - An additional call out charge of **\$75.00** will incur when the skip is unable to be collected or delivered for any reason on the requested collection or delivery date by the client. For example, skip is overloaded, skip has contaminated contents, skip is loaded in a manner that is unsafe to transport, there is a vehicle, site equipment or debris preventing access to skip.
- \* Rates are subject to change.
