

We are committed to the wellbeing and the protection of our environment which is why we are continuously seeking recycling options and investing in machinery to reduce landfill. When you hire a skip bin with A1 Skips, you are supporting a local business that is owned and operated by locals who employ locals.

Please take time to read these Terms and Conditions of hire. They are in place to keep our service running smoothly. If you need anything clarified give us a call on 0418 992 111.

ALL SKIP BINS ARE WEIGHED AND INSPECTED AT OUR WASTE FACILITY BEFORE BEING SORTED FOR RECYCLABLES

PROHIBITED IN ALL SKIP BINS: FINES AND FEES WILL APPLY ASBESTOS, LIQUIDS, OIL, CHEMICALS, PAINT, GAS CYLINDERS, LITHIUM BATTERIES, TYRES, WET CONCRETE, BAGGED CONCRETE POWDER, SYNTHETIC TURF, FLAMMABLES, FOOD WASTE

- *The price of the skip bin you have hired is for the drop off and pick up of that skip alone and any subsequent bins will be charged accordingly.
- *Hire period is 7 days from date of delivery unless arranged otherwise at the time of the booking. We may automatically collect the skip after a confirmation text has been sent to the client from on the 7th day if we have not received a response, or as close to this day as possible.
- *Payment is to be made prior to delivery of skip bin with credit card or upon delivery with cash unless prior arrangements for an account have been made. Where a skip bin has been delivered without prior payment the skip bin will not be collected from site if payment has not been finalised. Waste may be left on site and skip returned to our yard empty if a payment resolution has not been agreed to.
- *24 hours' notice preferable for skip pick up or change over. * Pickup and delivery on a Sunday or Public Holiday are not permitted due to Council restrictions.
- *Refund policy. no refunds will be given once a bin has been delivered.
- *Our drivers are professional, and experienced and will take the greatest care of your property. A1 Skips does not accept liability should any damage occur during delivery and collection of the skip. The client assumes all responsibility for the skip during the hire period.

DO NOT place ASBESTOS in any skip. We are not licenced to cart asbestos. **DO NOT** place fibro that has not been certified as NOT ASBESTOS into the skip. Fines issued by the EPA and Council are payable by the client. If we suspect the skip contains asbestos, we will engage an accredited asbestos technician to arrange testing. All costs relating to asbestos testing, reporting, disposal and decontamination is payable by the client

DO NOT place *asbestos, *paint, *liquids, *oil, *gas cylinders, *chemicals, *lithium batteries, tyres, wet concrete, bagged concrete powder, synthetic turf, flammables or food waste into the skip or you will be liable for *additional charges or fines incurred. Waste with a * in front of them are hazardous and can be a fire risk and a health risk to our staff. We are not licenced to cart or dispose of this waste. Get in touch with your local Council to ask how to safely dispose of these items.

DO NOT pour wet concrete into the skip unless it is specifically ordered as a wet bin only. This bin will be lined with plastic and only wet concrete is to go into the bin. No other material to go into the skip as it will not be recyclable. Any skip that is collected with contaminated wet concrete will be charged at \$50.00 per 100kg in addition to the initial cost of the skip and any further skips hired will be charged at a mixed skip rate.

DO NOT OVERFILL YOUR BIN - Your hired skip bin is charged a cubic meter rate and this rate is calculated for waste level with the top rim of the skip bin only. All waste must be contained within the bin. Any waste above the top of the skip will require a second bin at the current skip bin rate. It is your responsibility as The Client to us notify when the bin is full and needs replacing.

A1 SKIPS WILL NOT TRANSPORT ANY WASTE THAT IS ABOVE THE RIM OF THE SKIP (As per Transport Act) ANY WASTE ABOVE THE RIM WILL BE REMOVED AND LEFT ON SITE OR WE WILL RESCHEDULE BOOKING ALLOWING CLIENT TO ADJUST SKIP AND A FUTILE FEE WILL APPLY.

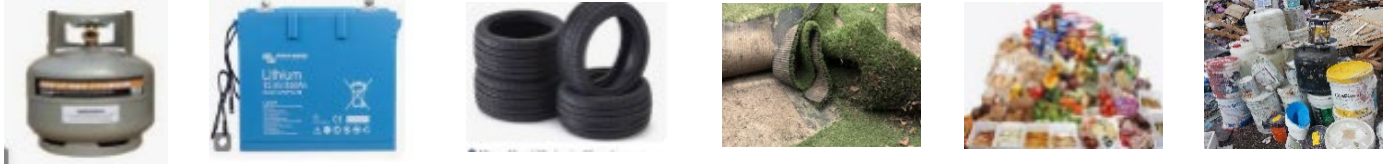

DO NOT under any circumstances move the skip from the original drop off position. If you choose to do so and the skip cannot be picked up by our operator you will / may need to empty, relocate, reload the skip back to original position at your own cost and or pay the charge for crane hire to pick up the skip. If any damage has been done to the skip when moved, the client will be liable for repair or replacement of the skip.

FIRE ANT COMPLIANCE – Refer to www.fireants.org.au for content relating to the National Fire Ant Eradication Program

WEIGHT LIMITS Roads and Transport regulations apply - If the bin is unsafe to collect, the client will need to offload excess at their cost and rebook bin collection and a *FUTILE FEE WILL APPLY. If the skip is collected and the weight exceeds the limits indicated below an **additional \$250.00** per tonne will apply at our discretion.

**C & D WASTE * Marrel skips & Hook bin = maximum weight limit of 6 tonne
CONCRETE ONLY *Hook bin = maximum weight limit of 10 tonne**

WE DO NOT ACCEPT- Asbestos, gas cylinders, tyres, lithium batteries, synthetic turf, paint, oil, chemicals and food waste -(contact your local council for disposal options) Disposal fees will apply. Refer to Additional fees.

Additional fees: Prices are subject to change depending on the current disposal rates.
